US 3 BRIDGE IN FRANCONIA REOPENS TO TRAFFIC
REHABILITATION OF US 3 SOUTHBOUND BRIDGE OVER I-93 AT EXIT 35

The New Hampshire Department of Transportation announces rehabilitation work on the US Route 3 southbound bridge over Interstate 93 at Exit 35 in Franconia has been completed and the bridge was reopened to traffic today (May 19).

The bridge was closed to traffic on May 10 with an anticipated closure of three weeks.

This work is part of a \$3.36 million bridge and pavement rehabilitation project on sections of I-93 in Lincoln, Franconia and Littleton. Winterset, Inc. of Lyndonville, Vermont is the general contractor for the project, which is scheduled to be completed in September 2005.
